## About ISM Edutech

ISM Edutech started with the motto of being the provider of opportunities for deserving students who otherwise would have been mere victims of high competition fee or misplaced career, We are being proactive in our approach and are aggressively trying to be able to help the healthcare industry in producing qualitatively superior health warriors (doctors), ISM Edutech thrives to provide the education a student deserves by giving them a safe environment to study and learn. And now, more than a decade later, ISM Edutech is synonymous with excellence in education advisory services. We are considered as one of the leading education consultants and training organizations from India, Kyrgyzstan, Kazakhstan, Tajikistan, Georgia, Barbados and United States in the field of Medical and Allied Healthcare Education, Admission and Training services.

## About Country

Kyrgyzstan (officially the Kyrgyz Republic), called the Switzerland of Central Asia, is a mountainous country of immense natural beauty. With over half the population under the age of 30, Kyrgyzstan is a country of young people and Kyrgyz and Russian are their official language. After the collapse of the Soviet Union, Kyrgyzstan declared its independence on August 31, 1991, and announced Bishkek as its new capital.

## About University

On July 5, 1996, by the decree of the president of the Kyrgyz republic, the Kyrgyz State Medical Institute was transformed into the Kyrgyz State Medical Academy. In the institute organization, invaluable assistance showed the 1st Moscow, Leningrad, Almaty, Tashkent & other medical institutes. They rendered advisory & organizational assistance, provided with medical literature & directed pedagogical cadres for a permanent job at the institute. There were organized chairs of CPSU history & political economy, normal anatomy, biology, histology, general chemistry, physics, foreign languages and others for which 16 teachers worked. During the great patriotic war in Kyrgyzstan were evacuated the 2nd Kharkov medical and Stomatologic institute & the Moscow Stomatologic institute which joined KSMA. Burdens of a wartime complicated institute work.

In connection with structural changes in 1996 by the decree of the president of the Kyrgyz republic, the institute is reorganized into the Kyrgyz state medical academy. The recto rate carries out measures for academy transition to conditions of market economy. There is a contract system of training. There is a modernization of educational, methodical and scientific research process.

Since 2000, KSMA begun introduction of the new training programs adapted for the international standards. Now in KSMA, there are medical, pediatric, Stomatologic faculties, faculty on the training of foreign citizens and institute of the pharmacy, higher nursing education, management & public health care, medical school. Besides, the institute of post-graduate training of KSMA, research institute of fundamental problems of medicine & biology & the center of the international cooperation are functioning. The academy prepares doctors for the countries of far & near abroad; training is conducted in Russian and English languages.

# Founder President :

**Dr. Phanibhushan Potu**

Dear Aspirant, Hello, and welcome to ISM Edutech. You are about to start journey at ISM Edutech that promises to be an exciting and a fulfilling one. In over 18 years, we have exhibited excellence in our curriculum design, the quality of teaching, and methodology of learning through expert guidance. We strive to be the best educators through our hard work and commitment towards the teaching methods.

Medicine is a noble profession, and we believe in preparing our students to be complete health care professionals, they are bound to face challenges on a regular basis which needs to be confronted at a moral, ethical, professional & emotional level. So welcome to ISM Edutech; An Institution, that has produced complete medical professionals who have discharged their duties to mankind in times of distress, impeccably.

## Vision

ISM Edutech is deeply engaged, in planning and putting efforts, to be the beacon which helps in the far-reaching transformation of medical science education and practice for an unprecedented advancement in human health.

## Mission

ISM EDUTECH's approach to education involves preparing the students to carry what they have learnt beyond the confines of the university and make a difference to the community they are serving in.

## Our Faculty:

The faculty of KSMA University are distinguished scholars and renowned for shaping and defining the medical field of study. The faculty is also infused with a profound commitment that their work as educators will have a dramatic impact in defending the fundamental values and the style of intellectual life that defines the University. They passionately believe that liberal education is a momentous calling and an ever-challenging responsibility, A project which involves the highest standards of excellence by going deep into the bones of the University.

## Boarding and Lodging:

Living in University housing is a great way to support students academic success .

International study shows students who have a student housing experience are tend to make more lasting connections and friendships. Student housing is important to ISM EDUTECH to ensure students well being, health & security.

At KSMA, we provide boarding and lodging with low cost without compromising with the quality, safety and security of our students.
