About ISM Edutech

ISM Edutech started with the motto of being the provider of opportunities for deserving students who otherwise would have been mere victims of high competition fee or misplaced career, We are being proactive in our approach and are aggressively trying to be able to help the healthcare industry in producing qualitatively superior health warriors(doctors), ISM Edutech thrives to provide the education a student deserves by giving them a safe environment to study and learn. And now, more than a decade later, ISM Edutech is synonymous with excellence in education advisory services. We are considered as one of the leading education consultants and training organizations from India, Kyrgyzstan, Kazakhstan, Tajikistan, Georgia, Barbados and United States in the field of Medical and Allied Healthcare Education, Admission and Training services.

About Country

Kyrgyzstan (officially the Kyrgyz Republic), called the Switzerland of Central Asia, is a mountainous country of immense natural beauty. With over half the population under the age of 30, Kyrgyzstan is a country of young people and Kyrgyz and Russian are their official language. After the collapse of the Soviet Union, Kyrgyzstan declared its independence on August 31, 1991, and announced Bishkek as its new capital.

About University

The ISM Regional Campus (IHSM) is an official state educational institution with the license of ministry of education and science of Kyrgyz republic for medical education.

With multiple campuses across Kyrgyzstan, ISM Regional Campus (IHSM) facilitates more than 1000 medical students at a time. Integrated with all the modern facilities and the best of Indian faculties, ISM ISSYK KUL created a brand of its name in the field of medical universities.

It is approved by the Medical Council of India and also listed in WHO (WORLD HEALTH ORGANIZATION). State of the art multispeciality hospitals are an added advantage for students to perform their clinicals and it is open to the public.

The main emphasis in the creation of the ism was made on the creation of a modern dynamic educational institution that provides high-quality training and has a competitive potential in the market of medical education.

The International School of Medicine of the International University of Kyrgyzstan is an official state educational institution with the license of ministry of education and science of Kyrgyz republic for medical education in general medicine within 5 years of study.

Founder President :

Dr. Phanibhushan Potu

Dear Aspirant, Hello, and welcome to ISM Edutech. You are about to start journey at ISM Edutech that promises to be an exciting and a fulfilling one. In over 18 years, we have exhibited excellence in our curriculum design, the quality of teaching, and methodology of learning through expert guidance. We strive to be the best educators through our hard work and commitment towards the teaching methods.

Medicine is a noble profession, and we believe in preparing our students to be complete health care professionals, they are bound to face challenges on a regular basis which needs to be confronted at a moral, ethical, professional & emotional level. So welcome to ISM Edutech; An Institution, that has produced complete medical professionals who have discharged their duties to mankind in times of distress, impeccably.

Vision

ISM Edutech is deeply engaged, in planning and putting efforts, to be the beacon which helps in the far-reaching transformation of medical science education and practice for an unprecedented advancement in human health.

Mission

ISM EDUTECH's approach to education involves preparing the students to carry what they have learnt beyond the confines of the university and make a difference to the community they are serving in.

Our Faculty:

The faculty of ISM Regional Campus (IHSM) are distinguished scholars and renowned for shaping and defining the medical field of study. The faculty is also infused with a profound commitment that their work as educators will have a dramatic impact in defending the fundamental values and the style of intellectual life that defines the University. They passionately believe that liberal education is a momentous calling and an ever-challenging responsibility, A project which involves the highest standards of excellence by going deep into the bones of the University.

Boarding and Lodging:

Living in University housing is a great way to support students academic success .

International study shows students who have a student housing experience are tend to make more lasting connections and friendships. Student housing is important to ISM EDUTECH to ensure students well being, health & security.

At ISM Regional Campus(IHSM), we provide boarding and lodging with low cost without compromising with the quality, safety and
